IMPORTANT INFORMATION

Event Address

Stretford Public Hall Car Park on Dorset Street - M32 0LG (Unless you have been allocated a space with one of our neighbouring venues).

Setup & Access

Access to our carpark/festival space will be available from **10am**. All Stalls must be set-up and ready to go by **11:30am** There is limited drop-off space on Dorset Street, and we have no on-site parking. The streets behind Stretford Public Hall are permitted - which means you'd have to park further afield, or in Stretford Mall's car park. We are a five minute walk from Stretford Met Stop, major bus routes, and have our own bicycle lock up available to traders on the day - we encourage this type of travel where possible.

Stall Location

Stalls will be positioned in Stretford Public Hall's car park, unless otherwise agreed. We cannot guarantee a specific location and positions will be allocated on a first come first served basis.

Gazebos & Tables

We provide a 6ft trestle and 2 chairs to all traders but you will need to supply your own gazebo. Please note - we have no electricity to offer.

Sale of Goods

Charity stalls occupying a free pitch are not permitted to the sale of goods by retail. However, donations/fundraising is welcome. Traders stalls are in agreement to pay 15% of their takings, **made payable via cash or card at the end of the festival** - (5pm on Saturday 15th of August).

Food & Beverage Sales

The sale of food & beverage is only permitted from Stretford Public Hall and agreed vendor stalls.

Public Liability Insurance

Please forward a copy of your PLI to Carson Wolfe by July 12th at the latest. We expect this to be in the region of 5 million, although this may vary depending on your organisation and size.

Load-Out

Load out will begin at 5pm and no sooner. At this point, cars may be brought onto the car park for ease of pack down. All rubbish generated must be taken away by the stall holder.

A Note on Access

Stretford Public Hall is a fully accessible building with ramp access, a lift, wide door frames, and disabled toilets on every floor. If you have any access needs we can assist with - contact Carson, named as the lead contact on this vendor pack.
