1. Voluntary Participation and Assumption of Risk

I () understand that I am participating in a class, private yoga session, online class, sound bath, workshop or event offered by Amy Ellis and/ or Ground and Flow Yoga at my own risk. I understand that yoga requires some physical exertion and carries the risk of injury, including serious or disabling injuries. I agree to assume full responsibility for any risks, injuries, or damages, known or unknown that I might incur as a result of participation in these classes/events or workshops.

I understand that yoga is not a substitute for medical attention, diagnosis or treatment, and I acknowledge that yoga may not be safe under certain medical conditions and circumstances. It is my responsibility to determine whether I am fit to participate in yoga sessions.

I affirm that I am voluntarily participating at my own risk.

Suitability: If pregnant, have epilepsy, a pacemaker, or other conditions, consult a doctor before booking.

2. Pregnancy Participation Policy

If I am or become pregnant:

- I may not attend any yoga classes during the first trimester (up to 12 weeks).
- From 13 weeks onwards, I must provide explicit medical clearance from my healthcare provider before participating. I may attend classes if I had a regular pre-pregnancy practice and consulted with my doctor.

- I understand I participate at my own risk and release Amy Ellis/ Ground and Flow Yoga from any liability related to pregnancy.

3. Postnatal Participation Policy

- I confirm I have received medical clearance from my healthcare provider to resume physical activity postnatally.
- I understand that 6-8 weeks is the usual postnatal recovery period (or 8-12 weeks following a caesarean), which must be agreed upon with my healthcare provider.

- I will inform Amy Ellis of any specific postnatal considerations (e.g., pelvic floor weakness, diastasis recti, prolapse, caesarean recovery).
- I understand modifications may be necessary for safe participation.
- I participate at my own risk.
- For mum and baby classes, I am responsible for my child's safety and supervision at all times and will bring appropriate care items. I acknowledge the baby/child remains my responsibility during the session and release Amy Ellis/ Ground and Flow Yoga from any liability related to their participation in the yoga class or event.

2. Physical adjustments and assistance

I understand that I may receive physical assistance or adjustments to enhance or correct my body posture during class by the teacher. I will take accountability for alerting the teacher of any injury or impairment before the class begins or if I do not want to receive adjustment or facilitation.

3. Sound Healing: A crystal bowl sound bath and sound healing is not suitable for the following people:

- if you are within the first 12 weeks of pregnancy
- If you experience sound induced epilepsy
- If you suffer with seizures or fitting episodes
- If you have any heart conditions or pacemaker
- If you have severe unmanageable mental health conditions

Precautions:

A precaution is advised for those who:

- Have any sound conditions or sensitivities (tinnitus)
- If you have any pins, screws, stents, shunts or implants
- If you are pregnant

If any of these precautionary scenarios apply to you, or if you have any other health conditions, it is recommended that you seek advice from your doctor or medical professional before attending a sound bath.
