# Forest School on the Farm Booking Information

Location

The Farm is located just off Kirkstall Road. It is accessed via a path at the side of Ready, Steady Store. There is NO PARKING so we would recommend walking to the farm if possible. If you do need to drive, you will find free parking on the streets on the opposite side of Kirkstall Rd.

Farm Access

The Farm

It is a working farm with no indoor space and limited fa cilities. Please come dressed ready for uneven ground and for being outdoors. There will be other people working at the farm so we ask you to keep to the designated areas. There is currently flood defence work being carried out on the farm which involves heavy machinery being moved around. You must keep to designated walkways and crossing points. Your children are your responsibility at all times and must not be left unsupervised. There are hazards on and around the farm so it is not safe for them to explore on their own.

Activities

There will be a range of activities available for you and your children to take part in. Come ready to get busy and get messy!

Most activities will require adult supervision for safety. You are responsible for the children you bring to the farm at all times. Please ensure you and your child wear clothing that can get messy. KVDT and Little Trees Forest School accepts no responsibility for staining or damage to clothing or footwear.

Refund Policy

This is a fully outdoor experience. We have limited undercover shelter available. The session will run in most weather conditions, including rain. If the weather is too extreme, you be notified by email and/or text message. Refunds will only be given if the session is cancelled. If you decide not to attend due to the weather conditions when the session is running, we are unable to offer a refund. Where possible, we will try to transfer bookings to a different session when a request is made at least 24 hours before the session.

If you need further information you can contact Kirsty at 07793008455 or email kirsty.ward@kvdt.org.uk
