

First Five Years: Year 3 2021-2022

Newly Qualified Teachers +1

Teachers currently due to finish their NQT year, or complete it the 2021-2022 academic year, are falling between the NQT and ECF approaches.

At the Redhill College for Leadership and Development we are determined to provide high quality CPD for them.

These teachers are entitled to 5% additional protected time. We have decided to group this time together at the end of each half term so NQT+1's can engage with in depth CPD together.

Each half term, a half-day session will be offered by the College. The remaining half-day should be directed by individual schools. This offer is available to both Primary and Secondary colleagues.

Our half-day sessions will be offered on two different days each half term, so schools can spread the impact on cover.

Lunch will be available from 12:30 on each day.

The session will run from **13:00 to 15:00**

You can book onto these sessions via the College website by visiting:

www.redhillacademytrust.org.uk/redhill-college/
