

Dogs Go Bark Park® – Entry Waiver & Rules

Please read carefully before entering.

At Dogs Go, we are committed to providing a safe and enjoyable environment for dogs and their people. However, as with any off-lead, multi-dog environment, there are inherent risks which cannot be completely eliminated. By entering the Bark Park®, you confirm that you understand and accept the following.

General Waiver of Risk

By entering today, you acknowledge that participation in an off-lead, multi-dog environment carries potential risks, including but not limited to:

- Dogs may accidentally bump into or knock you over.
- Surfaces may be slippery, wet, muddy, or uneven.
- Dogs may dig holes that present trip hazards.
- Dogs may behave unpredictably around people and other dogs, including jumping, pulling, or biting.
- **If a swimming pool, splash area, or natural water feature is present, there is a risk of drowning, near-drowning, or water inhalation (secondary drowning). Owners are solely responsible for supervising their dogs around water.**
- Dogs may attempt to **eat vegetation, soil, mushrooms, grass cuttings, berries, or foreign objects** which may cause illness. Owners are solely responsible for preventing this.
- Play equipment, including soft play and bouncy castles, is for dogs only and must not be used by humans.

For safety reasons, we do not recommend our events for small children, infants, pregnant women, elderly individuals, or anyone who may be unsteady on their feet.

Bark Park® Rules

1. Entry is strictly **at your own risk**. Off-lead dogs may run at speed and behave unpredictably.
 2. Owners are **fully responsible** for their own dog(s) and must leash and intervene if their dog displays behaviour that causes distress or risk to another dog or person.
 3. Not all dogs are suited to busy, off-lead environments. If you observe unsafe behaviour not being managed, please notify a member of staff immediately.
 4. No un-neutered males over 12 months are permitted.
 5. Fixating behaviour (relentless, non-reciprocal pursuit of another dog) is not allowed.
 6. Humping is not allowed.
 7. Pinning down or overly rough play is not allowed.
 8. **Dogs must not be left unattended at any time, including near water features.**
