

Dear Colleague,

Safeguarding Awareness 'Ongoing Learning' Course

Please find below joining instructions for the 'ongoing training' Safeguarding Awareness Course you have booked on:

Saturday 21st October 2017 0930 hrs –1200 hrs
Dale End Scout HQ
Croyland Road
Wellingborough
NN8 2AX * (Dale End has no postcode – this postcode for the Plumb Centre opposite)

Off road car parking will be available.

If you unable to attend this course, please can you let me know as demand for places is high and we can fill places from a waiting list.

If you are not booked on this course and viewing these joining instructions via the online booking system, please contact myself or your LTM to see if there are any spaces.

The workshop will start promptly at 0930 hrs so please arrive before this time. Tea and coffee and biscuits will be available. We will aim to finish the course by 1200 hrs approximately.

As with any training course, questions and discussion are welcome but there may be occasions when we have to 'move on' due to time constraints in order to cover all of the objectives of the session.

As I am sure you can appreciate this is a sensitive topic and one that is very important within Scouting. There will be time at the end to allow anyone wishing to raise concerns or ask questions afterwards, sensitively / on a more individual basis.

Scout uniform is not required. There are some handouts and resources provided but please bring a pen and paper if you wish to make notes.

For those requiring the module as part of their appointment review, Policy Organisation and Rules, The Appointments Process: Rule 5(d) states: The appointee must have completed approved safeguarding training at the point the review is undertaken.

The course will cover the following topics:

Abuse and Bullying
Policies and Procedures
Current trends / area's of concern
Resources and support available

I look forward to seeing you on Saturday. If you have any questions please do not hesitate to contact me.

Kind regards

David
