Celtic Spirituality:

Discovering the Modern Church through an Ancient Lens

an online retreat with Fr. Vincent Pizzuto

Throughout this retreat Fr. Vincent Pizzuto, PhD. will reflect on spiritual and theological accents associated with the ancient Celtic church as a way of exploring the deepest desires and concerns of modern Christians. What might we discover about ourselves through a sustained meditation on the Celtic Christian emphasis on soul-friendship, intimacy with the Divine, the sacramentality of Creation, and its pervasive appreciation for art, music, and beauty? Participants will be invited to explore Celtic Christian spirituality not merely as a historical phenomenon but as a contemplative lens of self-discovery and a pathway to a more authentic Christianity for the modern world.
