

The Power of Story in Human Development and Spiritual Maturation

an in-person *and* online event with
Carol S. Pearson, Ph.D., D. Min.

The session times below are available for both in-person and zoom participants. There are two additional sessions for those physically present. For maximum results, you may choose to take the Pearson-Marr Archetype Indicator® instrument, which assesses the stories you are living for a modest fee. It is available from the publisher at www.StoryWell.com.
