

Hi! I'm Kirsty, the owner of **Krafty Kidz**! Thanks for your interest in my classes. I really hope your child enjoys it. As a qualified primary school teacher, my ideas for art and craft projects are based on theory and experience so should be tailored perfectly for your child.

The children will have access to 2 tough spots throughout the duration of the class. They will play with the resources when they enter the class and when they complete tasks. These activities range from lego, zoobs, playmobil, loose parts etc.

When you arrive at the building, you will need to go up one step to enter. The building does not have wheelchair accessible stairs.

Collection after the class will be from the room you dropped your child off at. I will open the door and let the children out one at a time to ensure that they are going with an adult that they know.

Children should bring minimal belongings. A water bottle, any medication, and a mask if your child is wearing one is all that is required. Like they will have experience at school, the room will be well ventilated so it would be helpful if your child wore layers of clothing to ensure that they are not cold.

This class is running at The Play Room, 292 High Street, Kirkcaldy, KY1 1LB.
