

Hi! I'm Kirsty, the owner of **Krafty Kidz**! Thanks for your interest in my classes. I really hope your family enjoy it. As a qualified primary school teacher, my ideas for art and craft projects are based on theory and experience so should be tailored perfectly for your child. I have a lot of experience of play having worked with nursery right through to primary-seven children regularly.

Classes are limited to only **12 children with an accompanying adult**. This means that only one adult may attend with each child, although one adult may attend with multiple children, you just need to book extra child tickets.

This workshop will be two hours in duration, for those who need that amount of time to complete their projects. Once your project is completed though, you are free to leave.

For anyone who has young children attending that may finish painting a bit quicker than their grown up, there will be colouring sheets available to entertain.

This class is running at the 1st floor office, Castle Business Estate, Queensferry Road, Dunfermline, KY11 8NT. This is directly over the road from Pitreavie playing fields. You will see the main entrance for the building at the front (next to furniture plus) but you should continue round to the car park at the side of the building. You should cross over to the building using the zebra crossing as this leads directly to my set of stairs. If you look up you will see a window with a Krafty Kidz banner, that is where you are heading for. There is a video pinned to the Facebook page to give you directions at www.facebook.com/kraftkid
