

Hi! I'm Kirsty, the owner of Krafty Kidz! Thanks for your interest in my classes. I really hope your child enjoys it. As a qualified primary school teacher, my ideas for art and craft projects are based on theory and experience so should be tailored perfectly for your child.

The children will have access to tough spots throughout the duration of the class. They will play with the resources when they enter the class and when they complete tasks. These activities range from lego, zoobs, playmobil, play dough, loose parts etc.

When you arrive at the building, you will need to climb one flight of stairs (there is a lift for anyone who requires this). Please bring your child for the start time of the class, early entry will not be possible as I will be busy setting up. Please ensure that your child has been to the toilet before coming to class as the toilets are downstairs. If you wish to use these prior to the class starting, then enter the building and turn right after the lift. They are on the right-hand side.

**Collection after the class will be from the door at the end of the corridor** (it's more spacious there than outside the room door). I will be standing there to ensure that your child leaves only with you, I will send your child over to you at the end of the class once you have given us a little wave.

**PLEASE BE VERY MINDFUL OF THE CHILDREN IN THE CAR PARK.**

Children should bring minimal belongings. A water bottle, a lunch which contains no nuts and any medication is all that is required. If your child has to bring a phone to class then Kirsty will pop it in the office until the end of the class to ensure that it does not get damaged by the resources.

Like they will have experience at school, the room will be well ventilated so it would be helpful if your child wore layers of clothing to ensure that they are not too hot or cold.

The toilet facility is open and will be cleaned between use using a quick drying, disinfectant spray.

This class is running at the 1st floor office, Castle Business Estate, Queensferry Road, Dunfermline, KY11 8NT. This is directly over the road from Pitreavie playing fields. You will see the main entrance for the building at the front (next to furniture plus) but you should continue round to the car park at the side of the building. You should cross over to the building using the zebra crossing as this leads directly to my set of stairs. If you look up you will see a

window with a Krafty Kidz banner, that is where you are heading for. There is a video pinned to the Facebook page to give you directions at [www.facebook.com/kraftkid](http://www.facebook.com/kraftkid)
