LEAD | CHALLENGE | IMPROVE

The workshop is facilitated by Giles Osborne who is currently a Lead Academy Improvement Partner and an ex Principal at a secondary school in London. He has worked in a range of good and outstanding schools and was formerly an advisor to Kent LEA and a Senior University Lecturer at Brighton, Cambridge and Canterbury Christ Church. He is also the co-creator of 'TEAM', the National Database for SEMH schools and PRUs, and a national bench marking tool and progress model.

This workshop aims to:

- show governors what they need to focus on and what they need to know in order to hold their school to account
- help governors to support and challenge the leadership team
