

Governing Body Self Reviews

LEAD | CHALLENGE | IMPROVE

The workshop is facilitated by Giles Osborne who is currently a Lead Academy Improvement Partner, Chair of Governors, an ex Executive Headteacher of an all-through school and a National Leader of Governance. He has worked in a range of good and outstanding schools and was formerly an advisor to Kent LEA and a Senior University Lecturer at Brighton, Cambridge and Canterbury Christ Church. Giles is a national trainer for ASP and is currently supporting academy chains on leadership and management, as well as working with a range of alternative provisions. He is also the co-creator of 'TEAM', the National Database for SEMH schools and PRUs, and a national bench marking tool and progress model.

This workshop explores how self-evaluation can improve individual and team effectiveness. It will give participants the opportunity to look at a range of different self-review tools, with a view to identifying possible and appropriate forms of review for their governing body given its particular needs and stage of development.

Objectives

- Identify how individual and team self-evaluation can play a role in developing an effective governing board and improving the school.
- Explore a range of self-evaluation tools for participants to take back to their governing boards, to consider using.
