This course BUILDS on the learning covered in the Independent Learning Units as part of the Manager and Supporter Training Scheme. It is important that you take time **before attending** to complete the Independent Learning Units related to the following skills:

- Getting the Word Out
- Safeguarding for Managers and Supporters
- Dealing with Difficult Situations

- Decision Making

You can find all of the links on [this page](#).

During the course we will work through the practical application of this knowledge.

You may have completed some of these before, please just quickly re-visit them before the course as a reminder. You will also find that completing these, may also support your attendance at Achieving growth, if you are taking part in this course.

If you are attending the Achieving Growth course on the following day, and wish to stay over on the Saturday night, an evening meal and breakfast will be provided. Accommodation is available, or you may wish to pitch a tent. **You must indicate your intention to stay on the booking form.**

We look forward to working with you. Full joining instructions including all of the links you will need will be sent in the week leading up to the course. If you have any questions, please get in touch.
