

# Drinking Policy

## A word about alcohol

We are a working studio and as such cannot have intoxicated people on our premises. For Health and Safety reasons, and for the consideration of others, our policy is that we will not teach intoxicated people. Everyone must arrive sober, and during/after your event you are welcome to enjoy a few drinks in a responsible manner. As a last resort, we will refuse entry to intoxicated people and no refund will be offered.

**It is the organisers responsibility to ensure that no participant/guest of the event arrives intoxicated.**
