

Entrance to Dukes Hagg

Dukes Hagg Wood Off Moor Road Prudhoe

Nearest postcode NE42 5NX

sophiew@stomping-grounds.org
07950118816

Dukes Hagg Wood is 33 acres of Ancient Woodland situated in Prudhoe, Tyne Valley. Access to the woods by car is along Moor Road. Continue along Moor Road, past Ferndene (Children and Young People's In Patient Service - NHS) (A on map) on your left, over a small bridge (B on map), and past Humble Wood Farm (C on map) on your right. Dukes Hagg Wood is opposite Humble Wood farm. There is a public layby for drop offs on the left. Groups will meet here. There is no postcode for the woods but Humble Wood Farm is NE42 5NX. Better still use Ferndene as your destination and then follow instructions above.

Parking is limited. If you need to travel by car please consider a lift share. If you require parking, there are some spaces on offer at Ferndene Hospital and walk half a mile to the site. You can also park on the verges along Moor Road but please consider farm access and ensure there is space for large vehicles to pass your car. Please also consider the flora and possible habitats that exist on the verges when choosing a spot. If you park in the lay by next to the entrance to the woods, it is important that you leave space for horse and quad bike access next to the boulders.

Buses run regularly into Prudhoe Town Centre but please be aware it is a 30 minute walk from Prudhoe to the site.

Stomping Grounds Forest School activities will take place in an area of the woods near the burn. Some of this route is accessible by pushchair but the final 50 metres is rough uneven terrain. If you have accessibility questions don't hesitate to contact us. We recommend slings or baby carriers for smaller children. Pushchairs and buggies can be parked off the main track and left at owners' risk.

Meet the leaders at the entrance to the woods (by the boulders, the Stomping Grounds sign and the green 'Restricted Byway' sign) (C on map). Please arrive in time as the group will not be able to wait for you. Our site is marked E on map but might not be easy to find without guidance. Walk along Byway, turn right onto the raised Wagonway (public footpath), turn left into the woods towards the burn about half way along.
