

# October 2025 Class in the Post

# Card 1: Pop up card

Design and measurements from Karin Hobelsberger, an Austrian demonstrator

## Measurements:

Card base secret sea 14.8 cm x 21 cm scored at 10.5 cm

Contrast coloured pool party strip 7 cm x 28 cm score at 7 cm, 14 cm and 21 cm

Two more pieces of pool party 7 cm x 7.9 cm score at 1 cm

One piece of pool party 11 cm x 7 cm

One piece of real red 11.4 cm x 7.4 cm

One piece of bubble bath 10.1 cm x 14.4 cm

One piece of basic white 9.7 cm x 14 cm

Eight squares 6.5 cm x 6.5 cm of white or designer series paper

Two pieces of designer series paper for the inside of the card and one for the outside 10.1 cm x 14.4 cm

A scrap of real red for sentiment die cut

## Method:

Fold and burnish all the score lines

Assemble the inside mechanism as shown in class or on the video

Stick the two pieces of designer series paper to the inside of the card

Stick the mechanism to the inside of the card as shown in the video or in class

Stamp on some white squares to decorate the mechanism inside the card

Stick these and any pieces of DSP to the mechanism to decorate

Cut a piece of the red ribbon to approximately 30 cm

Attach the ribbon to the front of the card using double sided tape

Then stick the DSP over the top of this

Stamp your design on the pool party card I used secret sea Ink

Stick this to the real red layer and attached to the card with dimensionals

Heat emboss a sentiment onto the real red die cut

Attach this to the front of the card with dimensionals

Decorate with gems

Clear the basic white piece onto the bubble bath piece and attach to back of card over the top of the ribbon

Tie the car closed with a bow.

## Card 2: Square Card

### Measurements:

Card base real red 29 cm x 14.5 cm scored at 14.5 cm

Bubble bath layer for insight 14 cm x 14 cm

Gold foillayer 12 cm x 12 cm

Designer series paper layer 11.5 cm x 11.5 cm

Scraps of two tone bubble bath paper for die cuts

Scraps of gold foil for die cuts

Scrap of real red for sentiment die cut

### Method:

Fold and burnish the card base

Stick the bubble bath layer to the insight of the card

Stick the DSP square to the gold foil square

Stick this to the card base

Arrange the decor foliage onto the card front and stick down with glue and dimensionals

Decorate with frayed ribbon

stamp and layer the sentiment piece

Stick this to the front of the card with dimensionals

Decorate with gems.

## Card 3: Tent Fold Card

### Measurements:

Real red card base 29.6 cm x 10.5 cm scored at 14.8 cm

One layer of red 9.7 cm x 14 cm

Two layers of basic white 10.1 cm x 14.4 cm

One layer of basic white 9.3 cm x 13.6 cm

One piece of DSP 9.7 cm x 3 cm

One piece of gold foil 9.7 cm x 1 cm

Three pieces of DSP to fussy cut

### Method:

Fussy cut three bouquets from the designer series paper

Stick two bouquets to the top part of the smallest white layer

Stick the rectangle of DSP over the bottom part of the bouquets

Stamp your sentiment below this

Stick this onto the real red layer

Then onto the white layer

And then stick this onto the card base

Stick the strip of gold foil over the DSP

And stick the third bouquet over the top of this you might want to use dimensionals

Stick a basic white layer inside the card

Decorate with gems

Decorate the inside of the cart with DSP scraps
