

About Ragdolly Annas

Hi I'm Anna, owner of Ragdolly Annas, and I've been running it for 14 years now! Music has always been a big part of my life – hearing just one happy song can completely change my day. This is something I keep in mind when planning our weekly playlists. Pair that with the children having a brilliant time, and it's a simple recipe to ensure you and your little one have a fantastic 45 minutes with us!

The musical
entertainment
company

Bringing joy to all ages through the
power of music.

What to expect:

For the children, you can expect high-energy action songs, fun props, the parachute, and of course, lots and lots of bubbles!

For the grown-ups, there are sing-along classics and tunes that will hopefully make you smile

Each week, we have a different playlist and a rotation of props. There's also plenty of educational value in our sessions, as we work on core skills like sharing, numeracy, and communication.

But above all, Ragdolly Annas is about FUN! It's loud, it's bright, and the energy is always high, welcoming, and inclusive!

Other Services:

- Kids birthday parties and discos
- School discos
- Special themed events
- Work in schools, pre-schools and nurseries
- Care home entertainment

It's incredibly important to me that everyone feels welcome at our sessions.

We thrive on our inclusive environment and love the mix of ages and abilities that attend.
