

# Reboot Youth Plus Parental Information

## Why:

We've noticed that older youth haven't been joining us as much at Reboot Youth nights. After chatting with some of you, many of you mentioned feeling like the group is now mostly for younger people, which made it less fun and relevant. So, to make sure everyone has a place to connect, we're launching *Reboot Youth Plus* - a space specifically for older teens where you can hang out with people your age, talk about the things that matter to you, and dive deeper into topics that interest you.

## Who:

This group is for young people **in school years 10 to 13**. However, if you're in **year 9** and feel ready to join, you're more than welcome to come along!

## What:

*Reboot Youth Plus* is a space where you can:

- **Hang out** with your peers and make new connections.
- **Play** online games and find out who's the traitor Among Us!
- **Talk about real things** - whether it's cool stuff like aliens and dinosaurs, or more serious topics like social justice, faith, and current events.
- **Build a community** where you can grow, ask questions, and share ideas with friends.

## When:

We'll be meeting **twice a month**, so you'll have regular chances to get involved and connect.

## Where:

We're **starting with meeting online** so that it doesn't get too much in the way of exams, study and other commitments, but if meeting online isn't really your thing, please let us know and we'll bear that in mind as we develop the group, we'll also have **in-person socials** at a venue that works best for everyone.

## How:

As part of the group, you'll also have opportunities **to serve as young leaders** - whether it's helping out with Sportily or church activities. It's a great way to develop leadership skills and contribute to your community.

## Team:

The group will be facilitated by:

- **Ydson Belony**
- **Daniel Lawrence**
- **Ronald Eltringham**
- **Volunteers**

We're super excited to create a space where you can connect, grow, and be inspired. If you have any questions or want to know more, don't hesitate to get in touch!

**Blessings,**
