- With in a children's setting, in order to ensure the safety of the children and to limit possible distress, we will remove them from the vicinity of the incident.
- The manager or senior member of staff will seek to resolve the situation through calm discussion. • If the individual wishes to make a complaint we will encourage them to follow the Club's Complaints procedure

Allergen policy

In registering for the class parents or guardians are asked to advise GCE if their child has any allergies. GCE ask parents and guardians to contact GCE directly to discuss this. It is the responsibility of the parent or guardian to inform GCE about any allergies or dietary requirements. It is parents responsibility to inform Grow Cook Enjoy of any allergies their child has and update any changes in dietary requirements.

In keeping with school policies no nuts are used in recipes in primary school classes. We are not a nut free kitchen. We have separate storage for ingredients for our clubs. GCE premises handle nuts and some ingredients used may be labeled may contain nuts or processed in a factory that handles nuts. Whist we will take every care in ensuring that a recipe is nut free or free from a particular allergen, we can not guarantee this. In registering for a Grow Cook Enjoy class or workshop parents and guardians are accepting these risks.

Anti-Bullying Policy

Grow Cook Enjoy provides a supportive, caring and safe environment in which all children are free from the fear of being bullied. Bullying of any form is not tolerated in our club, whether carried out by a child or an adult.

Staff, children and parents or carers will be made aware of the Club's position on bullying. Bullying behaviour is unacceptable in any form.

Any child who is a victim of bullying will be dealt with in a sympathetic manner. If bullying is

suspected or reported, the incident will be dealt with immediately by the member of staff informed, and then discussed with the manager. An account of the incident will be recorded in an Incident log. All staff will be informed so that close monitoring of the victim and bully can begin. Parents of both parties will be informed.

Grow Cook Enjoy defines bullying as the repeated harassment of others through emotional, physical, psychological or verbal abuse.

- Physical: Pushing, scratching, spitting, kicking, hitting, biting, taking or damaging belongings, tripping up, punching or using any sort of violence against another person.
- Psychological: Behaviour likely to create a sense of fear or anxiety in another person. • Emotional: Being deliberately unkind, shunning or excluding another person from a group or tormenting them. For example, making another person feel 'left out' of a game or activity, passing notes about others or making fun of another person.

Incidents of racial harassment will be recorded as such on the Incident log. (See our Equalities Policy for more information on how we deal with and challenge discriminatory behaviour.)

Responding to bullying behaviour

Grow Cook Enjoy acknowledges that despite all efforts to prevent it, bullying behaviour is likely to occur on occasion. Should such incidents occur, the Club will follow the procedure outlined below:

- We will address all incidents of bullying thoroughly and sensitively.
- Victims of bullying will be offered the immediate opportunity to discuss the matter with a member of staff who will reassure the child and offer support.
- They will be reassured that what they say will be taken seriously and handled sympathetically. • Staff will support the individual who has been bullied, keeping them under close supervision, and checking their welfare regularly.
- If another child witnesses bullying and reports this, staff will reassure them that they have done the right thing. Staff will then investigate the matter.
- If a member of staff witnesses an act of bullying, involving children or adults at the club, they will inform the supervisor.
- Children who have been bullied will be helped by discussing what has happened, establishing why the child became involved. Staff will help the child to understand why this form of behaviour is unacceptable and will encourage him/her to change their behaviour
- If the bullying persists, the parents will be informed and we will work with them to try to resolve the issues.
- If this fails to stop the bullying, more serious actions may have to be taken, as laid out in the Suspensions and Exclusions policy.
- All incidents of bullying will be reported to the manager and will be recorded on an Incident Log.

The manager and other relevant staff will review the Club's procedures in respect of bullying, to ensure that practices are relevant and effective.

Arrivals and Departures Policy

Arrivals Primary School Classes

Grow Cook Enjoy recognises the importance of having robust systems in place to ensure the safe arrival and departure of the children in our care.

The manager will ensure that an accurate record is kept of all children in the Club, and that any arrivals or departures are recorded in the register. The register is kept in an accessible location during the session. In addition we conduct head-counts during the session. If the venue is at a school a copy of the register will also be in the school office.

Escorting children to the Club in venues hosted by a school.

- The Club and school have a clear agreement concerning the transfer of responsibility for children's safety. Once a child is marked in the register they are the responsibility of Grow Cook Enjoy until collected.
- We have risk assessed the route used to escort children to the Club and review it regularly. • Key stage 1 children will be escorted to the club. Or collected from an agreed point. • Key stage 2 children will make their own way to the club as long as this does not involve leaving the building.
- If a child is booked into the Club but is not at the collection point, we will check whether the child was present at school that day with the school. If the whereabouts of the child is not known, staff will immediately inform the designated contact at the school and ask the school to implement its Missing Child Policy.

Holiday Workshops

Our staff will greet each child warmly on their arrival at the workshop and will record the child's attendance in the register. Grow Cook Enjoy are responsible for any child marked present in the register.

Teenage and Student Classes

- Teenagers and Students will make their own way to and from the sessions. We will check if an attendee fails to arrive.
- Classes will start promptly as the advertised time.

Departures

- Children are collected by an adult who has been authorised to do so on their registration form. • In exceptional circumstances, if the parent requires another person who is not listed on the registration form to collect their child, the child's parents or carers must inform the Club in advance. If the manager has any concerns regarding the person collecting he/she will contact the main parent or carer for confirmation.

- The parent or carer must notify the Club if they will be late collecting their child. If the Club is not informed, the Uncollected Children policy will be followed. Lateness in collecting a child will result in a fine of £15 if the parent is over 10 mins late.
- Children over the age of eight will only be allowed to leave the Club alone at the end of the session if the Club has discussed this with the child's parents and has received their written consent.
- Children below the age of eight will not be allowed to leave the Club unaccompanied and must be collected by an adult.

Absences

- If a child is going to be absent from a session, parents must notify the Club in advance. Parents on the registration form have been asked to make sure they contact the club to inform them the child will be absent by texting 07905107054. Frequent failure to do so on, **2 occasions or more**, may result in the child's place at the club being terminated. No refund will be given.
- If a child is absent without explanation in a primary school class, GCE staff will contact the school office or the parents/ carers and the school to check where the child should be. If there is no explanation for the absence the GCE will liaise with the school to activate the Missing Child procedure.
- The Club will try to discover the causes of prolonged and unexplained absences. Regular absences.

Behaviour Management Policy

Grow Cook Enjoy uses effective behaviour management strategies to promote the welfare and enjoyment of children attending the Club. Working in partnership with parents, we accept responsibility for managing behaviour using clear, consistent and positive strategies. The Club rules are clearly displayed at every session, and are discussed regularly.

Whilst at Grow Cook Enjoy we expect children to:

- Use socially acceptable behaviour
- Respect one another, accepting differences of race, gender, ability, age and religion
- Develop their independence by maintaining self-discipline
- Ask for help if needed
- Enjoy their time at the Club.

Encouraging positive behaviour

At Grow Cook Enjoy positive behaviour is encouraged by:

- Staff acting as positive role models
- Praising appropriate behaviour
- Chef of the week rewards

- Informing parents about individual achievements

It is inevitable that as children develop and learn, there are times when they need support and guidance to understand that their behaviour is not acceptable. Staff at the Club will try to determine the cause or triggers of the inappropriate behaviour to prevent the situation from recurring.

Dealing with inappropriate behaviour

- Challenging behaviour will be addressed in a calm, firm and positive manner. •

In the first instance, the child will be temporarily removed from the activity. •

Staff will discuss why the behaviour displayed is deemed inappropriate.

- Staff will give the child an opportunity to explain their behaviour, to help prevent a recurrence. •
Staff will encourage and facilitate mediation between children to try to resolve conflicts through discussion and negotiation.

Staff will issue a yellow card if the behaviour persists and the children will be asked to sit out of the activity until they can join in with appropriate behaviour

If the behaviour persists, staff will issue a red card, the child will be asked to sit out for the remainder of the session, staff will then discuss the behaviour with the child's parents on collection or by email or telephone. In such circumstances the child may not have had time to join in the session and cook the recipe.

- Staff will consult with parents to formulate clear strategies for dealing with persistent inappropriate behaviour.

If after consultation with parents and the implementation of behaviour management strategies, a child continues to display inappropriate behaviour, the Club may decide to exclude the child . The reasons and processes involved will be clearly explained to the child.

Physical intervention

Physical intervention will only be used as a last resort, when staff believe that action is necessary to prevent injury to the child or others, or to prevent significant damage to equipment or property. If a member of staff has to physically restrain a child, the manager will be notified and an Incident record will be completed. The incident will be discussed with the parent or carer as soon as possible.

If staff are not confident about their ability to contain a situation, they should call the manager or, in extreme cases, the police.

All serious incidents will be recorded on an Incident record and kept in the child's file. This may be used to build a pattern of behaviour, which may indicate an underlying cause. If a pattern of incidents indicates possible abuse, we will implement child protection procedures in accordance with our Safeguarding policy.

Cancelation Policy

If a child or young person decides they would not like to attend the club a refund will be given (less

a £10 booking fee) when the space has been filled by another student.

Should the school, venue provider or Government impose restrictions which means the class is unable to run or the class is cancelled due to venue closure or adverse weather conditions, classes will be moved online via zoom. This may be at a different time to the scheduled class. A video of the class will also be made available.

Should covid restrictions imposed such as school class bubbles, self isolation or local / nationwide lockdown classes will be moved to online via zoom. A video of the class will also be made available.

Teen and Student

Grow Cook Enjoy requires a minimum of 4 people per Workshop; in the event the places do not get filled we will, at your convenience, transfer you onto another course; if this option does not suit or no course is available, you will receive a full refund.

Should the teenager or student decide not to do the course we have a strict cancellation policy. All payments are non-refundable 1 week before the course start date.

Complaints Policy

Grow Cook Enjoy aims to deliver fun, educational and inspiring classes. If for any reason we fall short of this goal, we would like to be informed in order to amend our practices for the future. Records of all complaints will be retained for a period of at least three years. A summary of complaints is available for parents on request.

Stage one

Complaints about aspects of Club activity:

The manager will discuss the matter informally with the parent or carer concerned and aim to reach a satisfactory resolution.

Complaints about an individual staff member:

If appropriate the parent will be encouraged to discuss the matter with staff concerned. If the parent feels that this is not appropriate, the matter will be discussed with the manager, who will then discuss the complaint with the staff member and try to reach a satisfactory resolution.

Stage two

If it is impossible to reach a satisfactory resolution to the complaint through informal discussion, the parent or carer should put their complaint in writing to the manager. The manager will:

Acknowledge receipt of the letter within 7 days.

Investigate the matter and notify the complainant of the outcome within 28 days. Send a full response in writing, to all relevant parties, including details of any recommended changes to be made to the Club's practices or policies as a result of the complaint.

Meet relevant parties to discuss the Club's response to the complaint, either together or on an individual basis.

If child protection issues are raised our Safeguarding procedure will be put in place.

Covid 19

In order to follow government guidelines we have adapted our classes to ensure safe delivery.

Guidelines set out by the government and schools will be adhered to and documented in our venue risk assessment. These are subject to change and will be updated regularly .

If covid restrictions are imposed such as: school class bubbles; isolation of students or staff or local / nationwide lockdown, classes will be moved to online via zoom. A video of a class will also be made available.

Should a child or member of staff result in a positive covid 19 test. GCE will liaise with the school and parents regarding the current government guidelines.

Should a child test positive for covid 19 parents must contact GCE who will inform parents and the host school.

Emergency Evacuation/Closure Procedure

Grow Cook Enjoy will make every effort to keep the session open, but in exceptional circumstances, we may need to close at short notice. For example if a venue were to close. In such circumstances the parent will be contacted by email or phone

Possible reasons for emergency closure include:

- Serious weather conditions
- Heating system failure
- Burst water pipes
- Fire or bomb scare/explosion
- Death of a member of staff or child
- Assault on a staff member or child
- Serious accident or illness
- Government national restrictions

In the event of an emergency, our primary concern will be to ensure that both children and staff are kept safe. If it is necessary to evacuate the Club, the following steps will be taken:

- If appropriate the manager or session supervisor will contact the emergency services.
- All children will be escorted from the building to the assembly point using the nearest safe exit.
- No attempt will be made to collect personal belongings, or to re-enter the building after evacuation.
- A nominated member of staff will check the premises and will collect the register (including emergency contact details) providing that this does not put anyone at risk.
- Before leaving the building the nominated person will close all accessible doors and windows, if it is safe to do so.
- The register will be taken and all children and staff accounted for.
- If any person is missing from the register, the emergency services will be informed immediately.
- The manager will contact parents to collect their children. If the register is not available, the manager will use the emergency contacts list (which is kept off site).
- All children will be supervised until they are safely collected.
- If after every attempt, a child's parent or carers cannot be contacted, the Club will follow its

Uncollected Child procedure.

If the Club has to close, a refund will be at the discretion of Grow Cook Enjoy. All efforts will be made to reschedule the class. This is due to the fact that ingredients, hire of venue and staffing cost will still need to be made.

Children with additional needs and Special Educational Needs

Our Club recognises that some children have special needs, additional needs or physical disabilities that require particular support and assistance. We will assess the individual needs of each child in consultation with their parents prior to their attending the Club, and will make reasonable adjustments to ensure that children can access our services and are made to feel

welcome.

Where one-to-one support is required we will ask parents to provide the assistance needed.

Staff understand and follow health and safety procedures.

Resources are provided to meet the Club's health and safety responsibilities.

All accidents, incidents and dangerous occurrences are properly reported and recorded. All reported accidents, incidents and dangerous occurrences are reviewed, so that preventative measures can be taken.

Staffing levels

Staff ratios and levels of supervision are always appropriate to the number, ages and abilities of the children present, and to the risks associated with the activities being undertaken. Generally Children under 8 years will be supervised 1 adult to every 8 children and children between 8-18 years 1 adult for every 10 children.

Missing Child Policy

At the beginning of the session the Grow Cook Enjoy class teacher will take a register and record a child has been collected by their designated adult. During the session if a child would like a toilet break they must ask to go and we will ensure they return safely.

If a child goes missing or fails to arrive and is unaccounted for after 10 mins. We will check with the school if the child was present at school or if they were sent home due to illness.

If the child is still missing GCE will ask the school to contact or contact the child's parents to check if they have collected them and inform the hosting school. If the child has not been collected and is still unaccounted for there will be a co-ordinated search for the child – initially on the school premises (inside and out). It has been agreed that help from the school will be available to coordinate this. Following this if the child is still missing a plan of action will be drawn by the GCE class teacher, parent, school and children's services (0300 123 1610).

If the child's parent is not contactable a message will be left for the parent, requesting them to contact either Grow Cook Enjoy or the school. Alternative contact numbers will be tried. The time of this will be recorded in log and we will inform the school of our actions. Grow Cook Enjoy or the host school will then try to make contact with the parent again if no reply has been received. If the child hasn't been found by the end of the club session, a plan of action will be discussed with the parent and school and the police contacted.

Safeguarding Policy

Please see our [Safeguarding policy document](#)

Suspensions and Exclusions Policy

Grow Cook Enjoy will deal with negative and inappropriate behaviour by using constructive behaviour management techniques. We will involve staff, parents and children to tackle disruptive and challenging behaviour collectively.

We acknowledge that some children will require additional support in order to achieve acceptable levels of behaviour. When we identify a child with these needs, we will work closely with the parents or carers to deal with the inappropriate behaviour in accordance with our Behaviour Management policy.

Where a child persistently behaves inappropriately, we will implement the following procedure:

1. Give the child a formal warning; staff will explain why the behaviour is unacceptable along with the consequences of further incidents.
2. Staff will encourage the child to discuss their behaviour, to explain their actions and to identify strategies for avoiding such incidents in the future.
3. Details of formal warnings, suspensions and exclusions will be recorded on an Incident record and kept in Grow Cook Enjoy's incident record.
4. The formal warning will be discussed with the child's parents, and all staff will be notified.

Staff will inform the manager if a child's behaviour warrants suspension or exclusion.

We will only suspend or exclude a child from the Club as a last resort, when all other behaviour management strategies have failed or if we feel that children or staff are at risk.

Suspensions and exclusions will be fair, consistent and appropriate to the behaviour concerned, and will take account of the child's age and maturity as well as any other factors relevant to the child's situation. If

appropriate, we will seek advice from other agencies; this may include accessing funding for additional support.

Temporary suspensions

Temporary suspensions will be applied in the following situations:

- Where formal warnings have failed to improve a child's persistent, challenging and unacceptable behaviour.
- In the event of an extremely serious or dangerous incident we will suspend a child with immediate effect. We will contact the parents and ask that the child be collected immediately.
- At the end of the suspension period the manager will meet with the parents/carers and the child, in order to agree any conditions relating to the child's return to the Club.

Permanent exclusion

In exceptional circumstances, and only when all other attempts at behaviour management have failed, it may be necessary to permanently exclude a child from the setting.

If a child is excluded from the Club, the parents/carers will be given a verbal and written explanation of the issues and subsequent actions. They have the right to appeal to the manager against the exclusion within 14 days of receiving written notification of the exclusion.

Uncollected Children Policy

Grow Cook Enjoy endeavours to ensure that all children are collected by a parent or carer at the end of each session. If a child is not collected, and the parent or carer has not notified us that they will be delayed, we will follow the procedure set out below:

Up to 15 minutes late

- When the parent or carer arrives they will be reminded that they must call the Club to notify us if they are delayed.
- The parent or carer will be informed that penalty fees will have to be charged (unless the delay was genuinely unavoidable).

Over 15 minutes late

- If a parent or carer is more than 15 minutes late in collecting their child, the manager will try to contact them using the contact details on file.
- If there is no response from the parent or carer, messages will be left requesting that they contact the Club immediately. The manager will then try to contact the emergency contacts listed on the child's registration form.
- While waiting to be collected, the child will be supervised by a member of staff. • When the parent or carer arrives they will be reminded that they must call the Club to notify us if they are delayed, and that penalty fees will have to be charged (except in exceptional circumstances).

Over 30 minutes late

- If the manager has been unable to contact the child's parents or carers after 30 minutes, the manager will contact the local Social Care team for advice.
- The child will remain in the care of the Club's staff, on the Club's premises if possible, until collected by the parent or carer, or until placed in the care of the Social Care team. • If it is not possible for the child to remain at the Club's premises, a note will be left on the door of the Club informing the child's parent or carer where the child has been taken (eg to the home of a staff member or into the care of a safeguarding agency) and leaving a contact number. A further message will be left on the parent or carer's telephone explaining events.

Managing persistent lateness

The manager will record incidents of late collection and will discuss them with the child's parents or carers. Parents and carers will be reminded that if they persistently collect their child late they may lose their place at the Club.
