

Dear Families,

We're excited to welcome you and your little ones to our sensory workshop!

To help us prepare, we kindly ask that you arrive **no more than 5 minutes before** your scheduled session, as we'll be setting up right until then.

What should I bring?

- **Socks** – Adults are asked to remove their shoes upon arrival, so please bring or wear socks.
- **A blanket (optional)** – Mats will be provided, but you're welcome to bring a blanket for your child to sit or lie on for extra comfort.
- **Anything your little one may need** – such as a bottle, soother, or extra diaper.

A few reminders:

- Please dress yourself and your little one in **comfortable clothing** that's easy to move around in.
- Space inside the studio is limited, so if possible, please leave strollers at home. Convenient parking is available directly outside the facility.
- From time to time, photos or short videos may be taken during our workshops by our team and attending families. If you prefer that you or your little one not appear in any photos or videos, please let us know when you arrive, and we'll do our best to accommodate your request.
- If you or your child are feeling unwell, we kindly ask that you stay home. While we're unable to offer refunds or make-up sessions, you're welcome to transfer your spot to a friend or family member.
- Feel free to feed, change, or comfort your little one at any time during the workshop. Our classes are designed to be relaxed and baby-led.

Please Note: Due to limited room space, we kindly ask that strollers and car seats are left at home where possible.

After the Workshop (location-specific):

- **Richmond (Jolly Bubble):** After your session, you're welcome to stay and enjoy the playground. Admission can be purchased at the front desk. The rate is **\$5.99 + tax per adult**, and admission is free for babies **12 months old and under**.

We can't wait to welcome you and your little ones for a fun, engaging sensory experience!
