

Photo/film consent form

Photos and videos are often taken at Role Play Lane to share highlights from sessions for customers but occasionally are also used as promotional material on the Role Play Lane website, social media sites (Facebook, Instagram, Twitter) and for brochures and flyers.

By ticking the box on the booking website, you give us permission to use the photograph(s) and/video(s) we have of you in our communications. Names will never be used alongside photo's or videos.

We will always ask your permission prior to taking the photo and during the session will match up your booking reference, time and date of your session and your name, as a way of verifying your consent.

I understand and accept the purposes for which Role Play Lane will use the photo(s) and/or video(s) taken of me/my child. I understand that by ticking the box on the booking website, it shows my agreement for the photo's to be used by Role Play Lane for social media and occasionally marketing purposes.

GDPR statement

The information that you provide, will only be used to contact you about these photo(s) and videos and any relevant class information. We will not pass the details recorded on this form on to any other organisation without your prior permission.

Thank you for your cooperation,

The Role Play Lane team
