

Haddon Copse
— FARM —

ACCOMMODATION LIST

There are two options for staying at Haddon Copse Farm, offering you a fully immersive painting experience.

Option One: Hire a bell tent – our beautiful bell tents are sited in our campsite field with a panoramic view of the Dorset Downs. Each tent is available for single occupancy or for two to share and are equipped with comfortable futon-style mattresses. You need to bring your own bedding, towels, etc. and a camping chair is also a good idea. There are two private wet-room style loos and showers just a very short walk from the bell tents.

Option Two: The Retreat Hut - Tucked away in a small orchard on the farm with glorious views of the Dorset Downs, The Retreat Hut is perfect glamping accommodation and is fully equipped for your stay, including an outdoor 'Campers' Kitchen'. The wet-room loos & showers are just a short walk through the orchard from the Retreat Hut.

Both options include breakfast every day. Lunch and afternoon tea every day and supper on the first night are included in your course fee meaning you just need to make arrangements for your own evening meals on Tuesday, Wednesday and Thursday evenings (see our separate Food List). Please email Tom and Mark at the farm to find out about availability and book info@angelcottageorganics.co.uk
