

# Volotea MPL Career Programme

Multi Crew Pilots Licence (MPL)

## Are you a future Volotea pilot?

The Volotea MPL Career Programme is a cadet pilot course that takes you from little or no flying experience to the point when you are ready to join the airline as a pilot. You will be mentored by Volotea's experienced pilots from your first day of training at CAE and throughout your journey to becoming a first officer for the airline. Your course includes aircraft-type-specific training on A320 simulators and your type rating.

## Programme Type

Multi-Crew Pilot Licence (MPL)

## Locations

Madrid, Spain

Fair Weather Flying Location

## How to apply

[www.cae.com/volotea](http://www.cae.com/volotea)

1500+ cadets graduate annually from CAE

With numerous aviation academies located all over the world, no other organization places more pilots with more airlines than CAE.

300+ airline partners globally

CAE's reputation of excellent training is underpinned by the numerous airlines that have chosen us as partners for their professional cadet pilot programmes – American Airlines, Air Transat, easyJet, Qatar Airways, Volotea and many more!

70 training locations and 6 pilot academies worldwide

At CAE's global flight academies, you will train in a professional commercial pilot training environment, shaping your skills and mindset to easily adapt for your future aviation career.

75+ years of experience

Backed by a 75-year record of industry firsts, we are the training partner of choice for airlines across the globe and the global leader in full-flight simulator manufacturing.
