

AVIATION TRAINING

Generation easyJet MPL Pilot Training Programme

**Are you a future
easyJet pilot?**

CAE is the exclusive partner for the Generation easyJet Pilot Training Programme which is a Multi-Crew Pilot Licence (MPL), a competency-based programme that is designed especially for easyJet. You will be selected and mentored by easyJet from the start of the programme. Your course includes aircrafttype-specific training on both full-flight and fixed base A320 simulators before completing your base and line training with easyJet on the Airbus A320. When you successfully complete the course, you will join easyJet as a co-pilot flying an Airbus A320 across the UK and Europe.

Generation easyJet MPL Pilot Training Programme

Course Outline

ATPL Phase: Theoretical knowledge training

- Learn the ATPL related theory knowledge across 14 subjects including the new EASA subject KSA 100
- Classroom led computer-based training (CBT) and student led private studies.

Duration: Approximately 950 hours

Location: CAE Brussels, CAE Madrid or CAE London Gatwick

Phase 1: Core flight training

- Learn how to fly solo in a single-engine piston aircraft
- Aircraft and simulator training
- Advanced Upset Prevention & Recovery Training (A-UPRT)
- Learn how to fly using instruments on a multi-engine piston aircraft

Duration: Approximately 100 hours

Location: Fair weather flying location

Phase 2: Basic flight training

- Get the skills you need to be a member of a professional airline cockpit crew
- Increase your Instrument Rating skills, further improve your multi-crew operations and be introduced to training on a jet aircraft.
- Classroom and Flight Simulator Training on CAE's latest technology Airbus A320 600XR FTD / 7000XF (Fixed based and Full Flight synthetic training devices)

Duration: Approximately 46 hours

Location: CAE Milan or CAE London Gatwick

Phase 3: Intermediate training

- Fly a multi-crew operation in CAE's high-performance, jet aircraft A320 fixed base/full flight simulator
- Learn the easyJet Airline SOPs and threat & error management (TEM) principles

Duration: Approximately 76 hours

Location: CAE Milan or CAE London Gatwick

Phase 4: Advanced training

- Bring together all of your training experience with Line Oriented Flight Training (LOFT) scenarios and build expertise in pilot competencies
- Get your Multi-Crew Pilot license and A320 type rating for easyJet

Duration: Approximately 28 hours

Location: CAE Milan or CAE London Gatwick

Generation easyJet MPL Pilot Training Programme

Investment & Funding

MPL Cadet Programme €102,942

What's included?

- All ground, simulator and flight training
- Manuals and documentation for the purpose of the MPL Cadet Programme approval
- Access to CAE Crew Training and ATPL Theoretical Knowledge digital Courseware materials
- All EASA or UK CAA Theory Exams
- First Officer Quality Assurance
- Advanced Upset Prevention & Recovery Training (A-UPRT)
- Applicable VAT
- Uniform, flight bag
- Travel to and from Fair Weather Flying Location for Core flight training phase
- US M1 visa if required

What's not included?

- Any travel other than mentioned above in "What's Included"
- Initial Class 1 medical and renewal
- Loss of Medical and Travel insurance
- Class 3 FAA Medical
- Accommodation and ground transport during all phases of training
- Living expenses such as meals and entertainment

Eligibility requirements

- Be aged 18 or over to commence training (by course start date)
- The right to live and work with unrestricted access across UK, EEA, EU or Switzerland
- Passing grades in Maths, English & any Science at High School/secondary school level along with 2 other subjects
- Be fluent in English (verbal and written)
- Minimum height 5' 2" (157cm) with maximum commensurate with Airbus flight deck requirements
- Be able to obtain an EASA or UK CAA Class 1 Medical
