The postcode of CW8 2DD takes you almost to our meeting point which is at the end of Novia Scotia Lane. Alternatively, if you use 'what3words' the meeting location would be "nation.engraving.quibble"

More detailed directions are as follows:

Take Dalefords Lane from the A556 with Define behind you. Pass Spans Garage on the left and continue along the lane with houses either side. You will pass Lambs Caravan Park on the right and shortly afterwards there is a right turn into Sandy Lane. Follow this to a T junction where you will need to turn right onto Novia Scotia Lane. Follow this a short distance to the end where you will see stone boulders and a metal gate. Please park either side of the lane.
