

Directions to Gnat Hole Farm for Parties, Retreats & Little Explorers Sessions

PLEASE READ CAREFULLY: Absolutely no driving through, parking or dropping off is permitted along Chunal Lane or on Gnat Hole Farm itself (as indicated by the red line on the map below)

Please park along the 300m stretch of grass verge along the Derbyshire Level (indicated by the blue line on the map below).

Use Postcode SK13 7PW & road name “Derbyshire Level” to find it on a Satnav.

Once parked, walk down the lane into the farm yard (indicated by the orange line). Pass the farm building & the houses, then you will find the entrance to the woods on the left (indicated by the green marker).

I will put some coloured markers, chalk boards and bunting out for you to spot.
