

## Directions to Gnat Hole Farm for Parties & Little Explorers Session

Please park along the 300m stretch of grass verge along the Derbyshire Level (indicated by the blue line on the map below).

Use Postcode SK13 7PW & road name “Derbyshire Level” to find it on a Satnav.

**No Parking or dropping off is permitted along Chunal-Lane or on Gnat Hole Farm itself (as indicated by the red line)**

Once parked, walk down the lane into the farm yard (indicated by the orange line).

Pass the farm building & the houses, then you will find the entrance to the woods on the left (indicated by the green marker).

I will put some mini cones, chalk boards and bunting out for you all to spot.
