Tasters

Adult (over 16s) can purchase a voucher for a taster at £22 before committing. If you decide to commit the voucher will be used against your class booking. It gives you the chance to meet the teachers and talk to existing students about their aerial journey!

Curriculum

Aerial classes provide a solid introduction to core skills on static trapeze, rope/silks, and

sling/hammock across each term, in a friendly and supportive group. You will be led through a ground-based warm-up before getting in the air. There is one piece of apparatus for every two students which is much more airtime than most studios can offer.

Parties

Book a private aerial experience and enjoy exclusive access to Small World's beautiful circus space and highly skilled aerial trainers for a fun, two-hour session. You can choose from static trapeze, rope, silks, sling/hammock, aerial yoga, or a mix of all apparatus. Ages 11 +

Suitable for parties, events, gifts, team building.

These bespoke two-hour aerial sessions will cater to your group's needs - from developing confidence for complete beginners to challenging choreography for experienced aerialists.

Mixed apparatus session

Up to 6 people **£160**

Up to 12 people **£250**

Aerial yoga session

Up to 8 people **£200**

Aerial joining instructions.

Please remember to wear/bring:

- Water bottle
- Yoga/warm up mat
- Clothes you feel comfortable to move and go upside down in that cover the waist, armpits, and backs of the knees - remember you don't want them to flop over your face or expose your waist when going upside down!

Doors open 5 mins before each class. Please arrive on time so that we can all start the class on time and warm up together.

To accommodate more students, we are now running some of the classes back-to-back, so we would be very grateful if you could arrange for your child to be picked up at Small World and on time as we cannot be held responsible for their safety once the class finishes. Please make sure to notify the trainer at the beginning of the class if other arrangements have been made.

No parking

Small World does not have a car park. There are two public car parks nearby (Mwldan and behind the Guildhall). They are the perfect setting for a 2 minutes' walk along the Mwldan brook and a flash warming session up the driveway for children and parents alike while having this important chat. This is for the wellbeing of everyone, the staff starting their shift at Theatre Mwldan, and the emergency vehicles.

So please, do not use the driveway to drop off or pick up your child and transform it into a giant bumper cars ride: it is dangerous. Thank you very much for your consideration.

Etiquette

No parents or siblings to watch or wait in the space during classes (Exceptions: parents can wait in the foyer if their child is anxious when first starting). We will do an informal sharing in the last 20 minutes of youth classes at the end of term so that parents/siblings can see what the participants have been up to.

No children of adult participants to watch or wait during classes - we're sorry this is the case, but it is necessary for safety reasons since it's impossible to supervise a child in a busy aerial class environment while you're also in the air yourself, and our trainers need to focus on students in the air.
