window

**Raise Hand** to get technical  
assistance via chat

Opens the  
**Q&A** window

**Reactions** allow you  
to communicate or  
provide feedback

# Q&A

The Instructor will use the Q&A window throughout the session.

Your comment/question will only be seen by the instructor, NOT by other attendees.

Check **Send Anonymously** if you do not want your name attached to your question in the Q&A.

Note: To communicate with the instructor, always use the Q&A window. Instructors are not monitoring the chat.

The screenshot shows a window titled "Q&A" with a light gray background. At the top, there are three small circles (macOS window controls) and the title "Q&A". Below this, the text "You asked:" is followed by the question "What happens when I raise my hand?" and the time "18:03". Below that, "Molly Parker answered:" is followed by the answer "I can take you off of mute." and the time "18:04". A horizontal line separates this from the rest of the window. Below the line is a large white text input area with the placeholder text "Please input your question". At the bottom of the window, there is a checkbox labeled "Send Anonymously" and a blue "Send" button.

# Chat

Please note that the **instructor does NOT monitor the chat.**

Use the Q&A window to ask questions of the instructor.

You may chat with the producer for technical assistance.

Opens the **Chat** window

# Raising Your Hand

You can raise your hand if you need the producer to reach out to you for assistance during the session.

The instructor may also use this feature to receive feedback from participants.

# Reactions

Reactions allow you to communicate or provide feedback without disrupting the session.

Emoji reactions will disappear automatically after 10 seconds.

Reactions may be used by instructors for interactions during the training.

# Polls

The Instructor may use polls as a form of interaction during the training. The poll will automatically pop up on your screen.

Select your answer and then click **Submit**.

The poll will close automatically.

The image shows a mobile-style poll interface. At the top left is a blue link labeled "Close". To its right is the poll title "Ice Cream Flavor". Below the title is the question "1. What's your favorite ice cream flavor?". There are seven answer options listed in a vertical list: "Chocolate", "Vanilla", "Strawberry", "Butter Pecan", "Chocolate Chip", and "(other)". The "Butter Pecan" option is highlighted with a blue background. At the bottom center of the poll is a blue rounded rectangular button labeled "Submit".
