Rules for Agility Shows

Safety and welfare for your dogs whilst at any events organised by Pinkfox Dog training is our priority. A lot of our terms and conditions are in place for that very reason. Please read through them; by clicking the box you are agreeing to them. It is our focus that everyone who attends Pink fox or Bee Happy events have the opportunity to gain whatever experience from our shows they want.

1. Our aim is to provide an event for those starting out on their competition journey with their dog or for new to competition dogs with an experienced handler. With this, our first priority is to the welfare of any dogs entered into any of our shows and if a member of our team has any concerns they have an obligation to raise them with the show organizers, Pinkfox dog training, who will act accordingly. If you as a competitor have any concerns over a dog's welfare we ask you to raise them in a timely manner to the show manager who will deal with the matter.
2. Our shows are designed to bring in new competitors into dog agility so we ask that anyone entering into our shows respects and supports their fellow competitors. No one's journey or experiences in Dog agility is exactly the same to someone else's therefore we would like to ask you to be considerate and helpful where possible. If you are found to be disrespecting someone else at our show you may be asked to leave. We all were beginners once.
3. By entering a dog into a Bee Happy show we will expect that you have trained them to safely use the agility equipment that is provided by the organizers. This includes jumps, a wall jump, a long jump, tyre, A frame, dog walk and tunnels. Seesaw and weaves will only be used for novice level and above.

4. All persons entering this show do so at their own risk. Whilst every care will be taken, Bee Happy IDA and the owners of the showground will not accept any responsibility for loss, damage or injury caused to persons, dogs or property.
5. Training in the ring is permitted and you will be given the course time plus 10 seconds. If you are planning on using your run as training you will need to let the Scrim know you are running not for competition (NFC) prior to your run. You are then welcome to use a toy to reward whilst in the ring or none crumbly, highly visible, large treats.
6. Judges' decisions are final and no person is permitted to challenge a Judge either in person or on social media. If you have any concerns please report the incident to the show manager on the day.
7. If you have any comments about how the event is run or any of the procedures at our show please raise your concerns officially in an email to the show organizers at Pinkfox dog training. You are not permitted however to post a complaint or negative opinions about the show or any persons running or attending the show on any public group or page on any social media platform. If you are found to be doing so, you will not be welcome at any future Bee Happy shows and any event organized by Pinkfox dog training. We will not hesitate to take matters further if required.
8. Competitive runs, a handler is not permitted to carry a toy or food in their hands whilst in the ring and whilst under examination of the Judge.
9. Dogs are to wear flat collars only when in the ring. It is law that when your dog is in a public place they are to wear identity tags. These will need to be a flat tag that lays flush along your dog's collar for being in the ring or their details can be embroidered directly onto their collar. Nothing is to be dangling off a dog's collar whilst in the ring.
10. A dog is not permitted to wear any apparel eg coat, jumper, harness or headcollar whilst in the ring.
11. No harsh handling will be tolerated. Any persons doing so could face a lifetime ban from entering any future Bee Happy shows or any events organized by Pinkfox dog training, You will also be reported to the relevant authorities.
12. No prong collars, retractable leads, e collars, vibrating collars or choke chains are permitted at any Bee Happy show or any events organised by Pinkfox dog training. If you are found to be using any of the above whilst attending any of our shows you will be asked to leave and could face a lifetime ban from any of our events.
13. Each dog entered will be given a running order number. It is your responsibility to enter the queue as close to your order number as possible. There will be 5 max in a

queue at any one time. For example, there are 20 dogs entered in a class and your dog has a running order number 19. You will be expected to run your dog towards the end of the class. If you book into a class too early you will be asked to return at a more appropriate time. If you have a just cause to run out of order please speak with the ring party whilst course walking for that class is occurring and before the class has started to agree when to book in.

14. Bee Happy grades are independent of any progression within KC or A4A. You can choose to progress simply within Bee Happy or move up according to your KC/A4A progression. If you would like to progress against your KC or A4A progression you are required to inform the organisers by email four days prior to the show.
15. Parking marshals will be available to monitor the parking area; however, they will not be held responsible for any loss or damage to your property that may occur.

21. Judges may run their own dogs for competition when they are not scheduled to judge.
22. In the unlikely event the show has to be canceled Bee Happy IDA reserves the right to defer expenses incurred by deducting such expenses from the entry fee received.
23. Bitches in season may compete and regardless of their running order they are to run at the end of the class. Please notify the ring party if your bitch is in season for each class you have entered. Handlers must provide their own mat from which they will start from.
