

MOUNTAIN SKILLS WITH WILD CAMP

North Lakes

COURSE OVERVIEW

This is a 3-day mountain skills course for up to 4 people, offering a comprehensive approach to hill walking with the added experience of wild camping.

The course begins with an introductory day and a guided mountain journey where we will look at the foundational skills for hill walking and navigation. This is followed by a one-night mini expedition focused on navigation and camp-craft skills. This hands-on wild camping experience is both exciting and practical, helping you develop self-sufficiency in the hills.

SKILLS COVERED

- Mountain walking planning & preparation
- Map reading and compass use
- Navigation in poor visibility and at night
- Weather interpretation & reading synoptic charts
- Efficient walking and movement techniques
- Clothing and equipment selection
- Camp-craft and tent pitching
- Wild camping basics
- Environmental awareness and Leave No Trace
- Hazard recognition and emergency procedures

KIT LISTS:

Kit lists can be found here - [KIT LISTS - LDM](#)

Please ensure you have the following equipment:

MOUNTAIN CLOTHING:

- Waterproof jacket
- Waterproof trousers
- Spare clothes (warm layers)
- Rucksack 30-40L

- Warm hat & gloves

OTHER ITEMS:

- Flask (optional)
- Water bottle
- Lunch & snacks
- Small first aid kit and/or personal medication
- Head torch + spare batteries (or spare torch) - important for night navigation
- Walking pole(s) (optional)

OTHER USEFUL INFORMATION:

We can share group equipment such as first aid kits & group shelters etc. LDM can supply group first aid kits and group shelters.

Please make sure you have all of your personal medication to hand on your person if needed and let the instructor know if you are carrying medication.

Please make sure your footwear is appropriate for the terrain we are in and adheres to the weather on the day. We will be walking in rough and rocky terrain in the mountain environment and it can also be boggy and wet - so waterproof boots or waterproof socks are recommended.

30-40L Day Bag/50-60L Expedition Rucksack - your rucksack needs to be big enough to comfortably fit all of your equipment INSIDE. Please don't bring duffle bags. Recommended brands: Osprey, Lowe Alpine, Rab, Mountain Equipment, Deuter.

Please pack all kit inside the bag as best as possible; wet sleeping bags and sleeping mats are not useful and the wind can blow items off your rucksack too.

A rucksack liner or dry-bags are best to keep kit organised and dry. It is worth bringing hat and gloves even in the summer.

The mountain conditions can be significantly different at the top with cold temperatures experienced all year round.

A waterproof jacket can be used as windproof jacket even when it's not raining. Please no jeans or cotton. Wool/nylon base-layers are best and soft-shell mountain trousers are quick drying.
