OUTSTANDING LEADERSHIP IN EDUCATION

Outstanding Leadership in Education (OLE) is a bespoke coaching-based programme written by the author of the internationally acclaimed suite of programmes that make up the OLEVI TLC Syllabus. These programmes have produced dramatic improvements in schools where they are in action.

OLE gives delegates the opportunity to explore their own leadership style and build upon their existing skills towards effective leadership.

Who is it for?

Established middle leaders and aspiring and new to role senior leaders in Primary and Secondary schools

What is the rationale?

- Nuances of leadership
 - Think as a leader
- How to lead and support people
 - Teams and people
 - Response to situations
- Develop as a holistic leader
 - Scenarios
 - What is a leader?
 - Models
 - Own skills

What is the impact?

- Reflect honestly on your own strengths and weaknesses as a leader.
- Articulate a compelling vision and lead an action plan to realise it.
- Use various leadership skills to manage and lead individuals and teams to make an impact.
