Car Parking – Important Information

Due to limited and extremely tight on-site car parking at Cropredy Village Hall – **we reserve parking spaces for those with disabilities and our instructor team carrying equipment on weekend courses.** (Weekday evening course excluded).

We recommend parking on-street between the Brasenose Pub and the top of High Street before the dead end (highlighted in yellow below), and take a 2 – 3 minute walk up to the village hall.

Please ensure you park courteously and in line with all local signage. Cars are parked at owners own risk.
