

How to get to our Forest School site

These sessions take place in

Warley Woods, 101 Lightwoods Hill, Bearwood B67 5ED.

To find our forest school site, walk along the main path that runs from Lightwoods Hill to Abbey Road. About half way along the path, you will see the Wild Lives banner hanging from a small oak tree next to a bench and a bin. In front of the banner is a small pathway going up into the woodland. Follow the path up the hill into the wooded area and you will find us!
