Healthcare Panel Discussion Questionnaire

We need your questions to make the Healthcare Panel Discussion informative and provide answers to your questions. Below, are some of the topics to be discussed. Please take the time to write down any questions regarding the topics you may have and turn in as you register Friday morning for the conference.

- Discussions on best way to approach clinicians about documentation issues from provider's perspective and coder's perspective
- How does your office ensure that its telecommuting staff members are kept in "in the loop" about issues pertaining to your particular practice?
- Advantages of coders having knowledge of billing/collection processes
- Tips for successful coding job search-resume' building, interview techniques, modern (e.g. LinkedIn) vs. traditional job search methods
- Discussion on job duties of a practice manager and skill sets to be successful (coders looking to advance in their careers)
