

Adele Robertson Yoga Pilton venue directions

Address: Pilton Playing Fields New Room, Pylle Road, Pilton BA4 4BR

When you reach the Playing Fields, park on the road side near the pavilion.

There are several roads that turn off the main A361 down through the village towards the playing fields. These are the most straight forward routes.

If travelling from Shepton Mallet coming from the Tesco roundabout towards Pilton, go straight across the A361 at the junction into Neat Lane. Follow this down the hill past the cemetery, around a very sharp bend into Lower Street and stay on this road until you come to the small cross roads. Turn left at the cross roads into Pylle Road. You will come to the Playing Fields Pavillion on your right after about 300 yards.

If travelling from Glastonbury direction, once you have passed the 'Pilton' sign on the A361 and driven up the hill, take the turning right into Parson's Batch (signposted Parish Church). If you miss this turning, you can take the next right down the one-way Shop Lane. Continue along this road which becomes Cumhill Hill and then Bread Street. When you reach the little cross roads, turn right at the Long House into Pylle Road. You will see the Playing Fields on your right after about 300 yards (please see map above for approximate location of Adele Robertson Yoga Pilton on Pylle Road.)
